

# satyam mishra

## Web Developer

As an experienced web developer with 1 year and 7 months of experience, I possess expertise in website development using HTML, CSS, and JavaScript, as well as working with technology platforms, CMS platforms, and Git. My strong communication skills and detail-oriented approach enable me to work effectively with clients and team members alike. Moreover, my problem-solving and analytical skills allow me to overcome complex challenges and deliver successful projects. Overall, I am confident in my ability to contribute my technical skills and knowledge to a company's growth and success.
